

INTRODUCTION

Ukhamba Building Supplies is a BEE company, formed with the main aim of pursuing business opportunities in the building materials and related products supply value chain of the construction and building materials industry. Ukhamba Building Supplies is a subsidiary of Ukhamba Holdings.

VALUE PROPOSITION

Our customers will benefit by increasing their BEE scorecard specifically the preferential procurement requirement to procure from BEE suppliers. We have a strategic relationship with leading manufacturers of quality branded products and this relationship enables us to offer our customers a diverse product range at very competitive prices.

SCOPE

Ukhamba Building Supplies' main focus is selling and marketing premier brand products such as Cobra, LACO, Lasher Tools, Vaal and other well known hardware, PVC and Polyethylene pipes and fittings and sanitaryware brands.

Our target customers are:

- State-owned enterprises,
- Municipalities,
- Government departments,
- Property Developers,
- Civil and Building Contractors, etc.

The company is based in Gauteng but our partners have distribution channels throughout the Southern African region.

PRODUCT OFFERING AND MARKET SCOPE

Our partners distribute and market a wide range of products through various business units. Products are distributed through a national, strategically positioned branch network in South Africa and neighbouring countries. The companies distribute approximately 26 000 products sourced through more than 1000 suppliers in the building and plumbing sectors. A variety of catalogues, with each supplier's products, is available at our offices.
